Napanee, December 30, 1958

Dear Dr. Burleigh:

I am forwarding a letter which Miss Woods gave me a few weeks ago. I have been trying to get some information, but have not succeeded.

My father's first teacher was a Mrs. Logan, who formerly was Mary Birrell. She later married a Mr. George Spencer and lived at Hayburn. Mrs. Robt. Denison, a niece of George Spencer, lives in town but can tell me nothing more than I know myself: namely, that Mrs. Logan had two children - Lizzie, who married Wm. Pennell and had no children, and she and husband have been dead a number of years - John, a son, whom I met as a child, and who is now dead, too. Dad went to school in Richmond; so the Logans must have lived around here. A niece of Mrs. Logan, Mrs. Fred Taverner, is in the Ontario Hospital, Kingston, or I might be able to get some information from her. I asked the judge if he could tell me where to look, but he did not know of any source of information.

So I turn to you as a last resort; and I doubt if you have any more information than I - but here's hoping. If they were Scottish, it is no use to tell her to look in Dutch records in the States!

I have secured more information about the early days of the VanAlstyne family through the kindness of Miss K. Asselstine of Windsor, who had gathered material about various Dutch families while doing research on her own family tree. From copies of data recorded in "New Netherlands Register" of Dutch West Indies Co. settlers, she learned that there was a Pieter on both my side and in another branch. It seems that my ancestor, Isaac, and his brother Lambert both had sons by that name, and that there were three Peters in all! Isaac's Peter was baptized in 1695 - so he was not the Peter who went to Adolphustown. The next "Pieter" was the son of Lambert, brother of Isaac - this Peter was baptized in 1702. This Lambert had a son Thomas who had a son Peter baptized in 1736; and I feel sure that this is the Peter who settled in Adolphustown - he would have been 48 at the time. My great-great grandfather Lambert who settled in Richmond would have been about 19 when he arrived here. Some day, if I ever can get around to it, I must unscramble the information from Miss Asselstine and set it down in order.

Yours truly, *Hazel Van Alstyne*

Lambert m. 2. Mary Hannah

By this second marriage, a son Isaac born Sept. 15, 1815

Other children, probably second marriage: Jonathan, Alexander
Definitely second marriage, but no known dates:

John, Barnard, David Secord, Lydia, Ann.

My line comes down from first marriage - the oldest son, James. He had a son Duncan, an uncle of my father - and my father's name was William Duncan.

David Secord, son of Lambert Jr., m. Jane

Children: John(1840-1929), Irvine, Nelson, Charles, William(1844-),
Rhoda (1845-), Phoebe (1848-)

Lydia, daughter of Lambert Jr. married Matthew McCoy

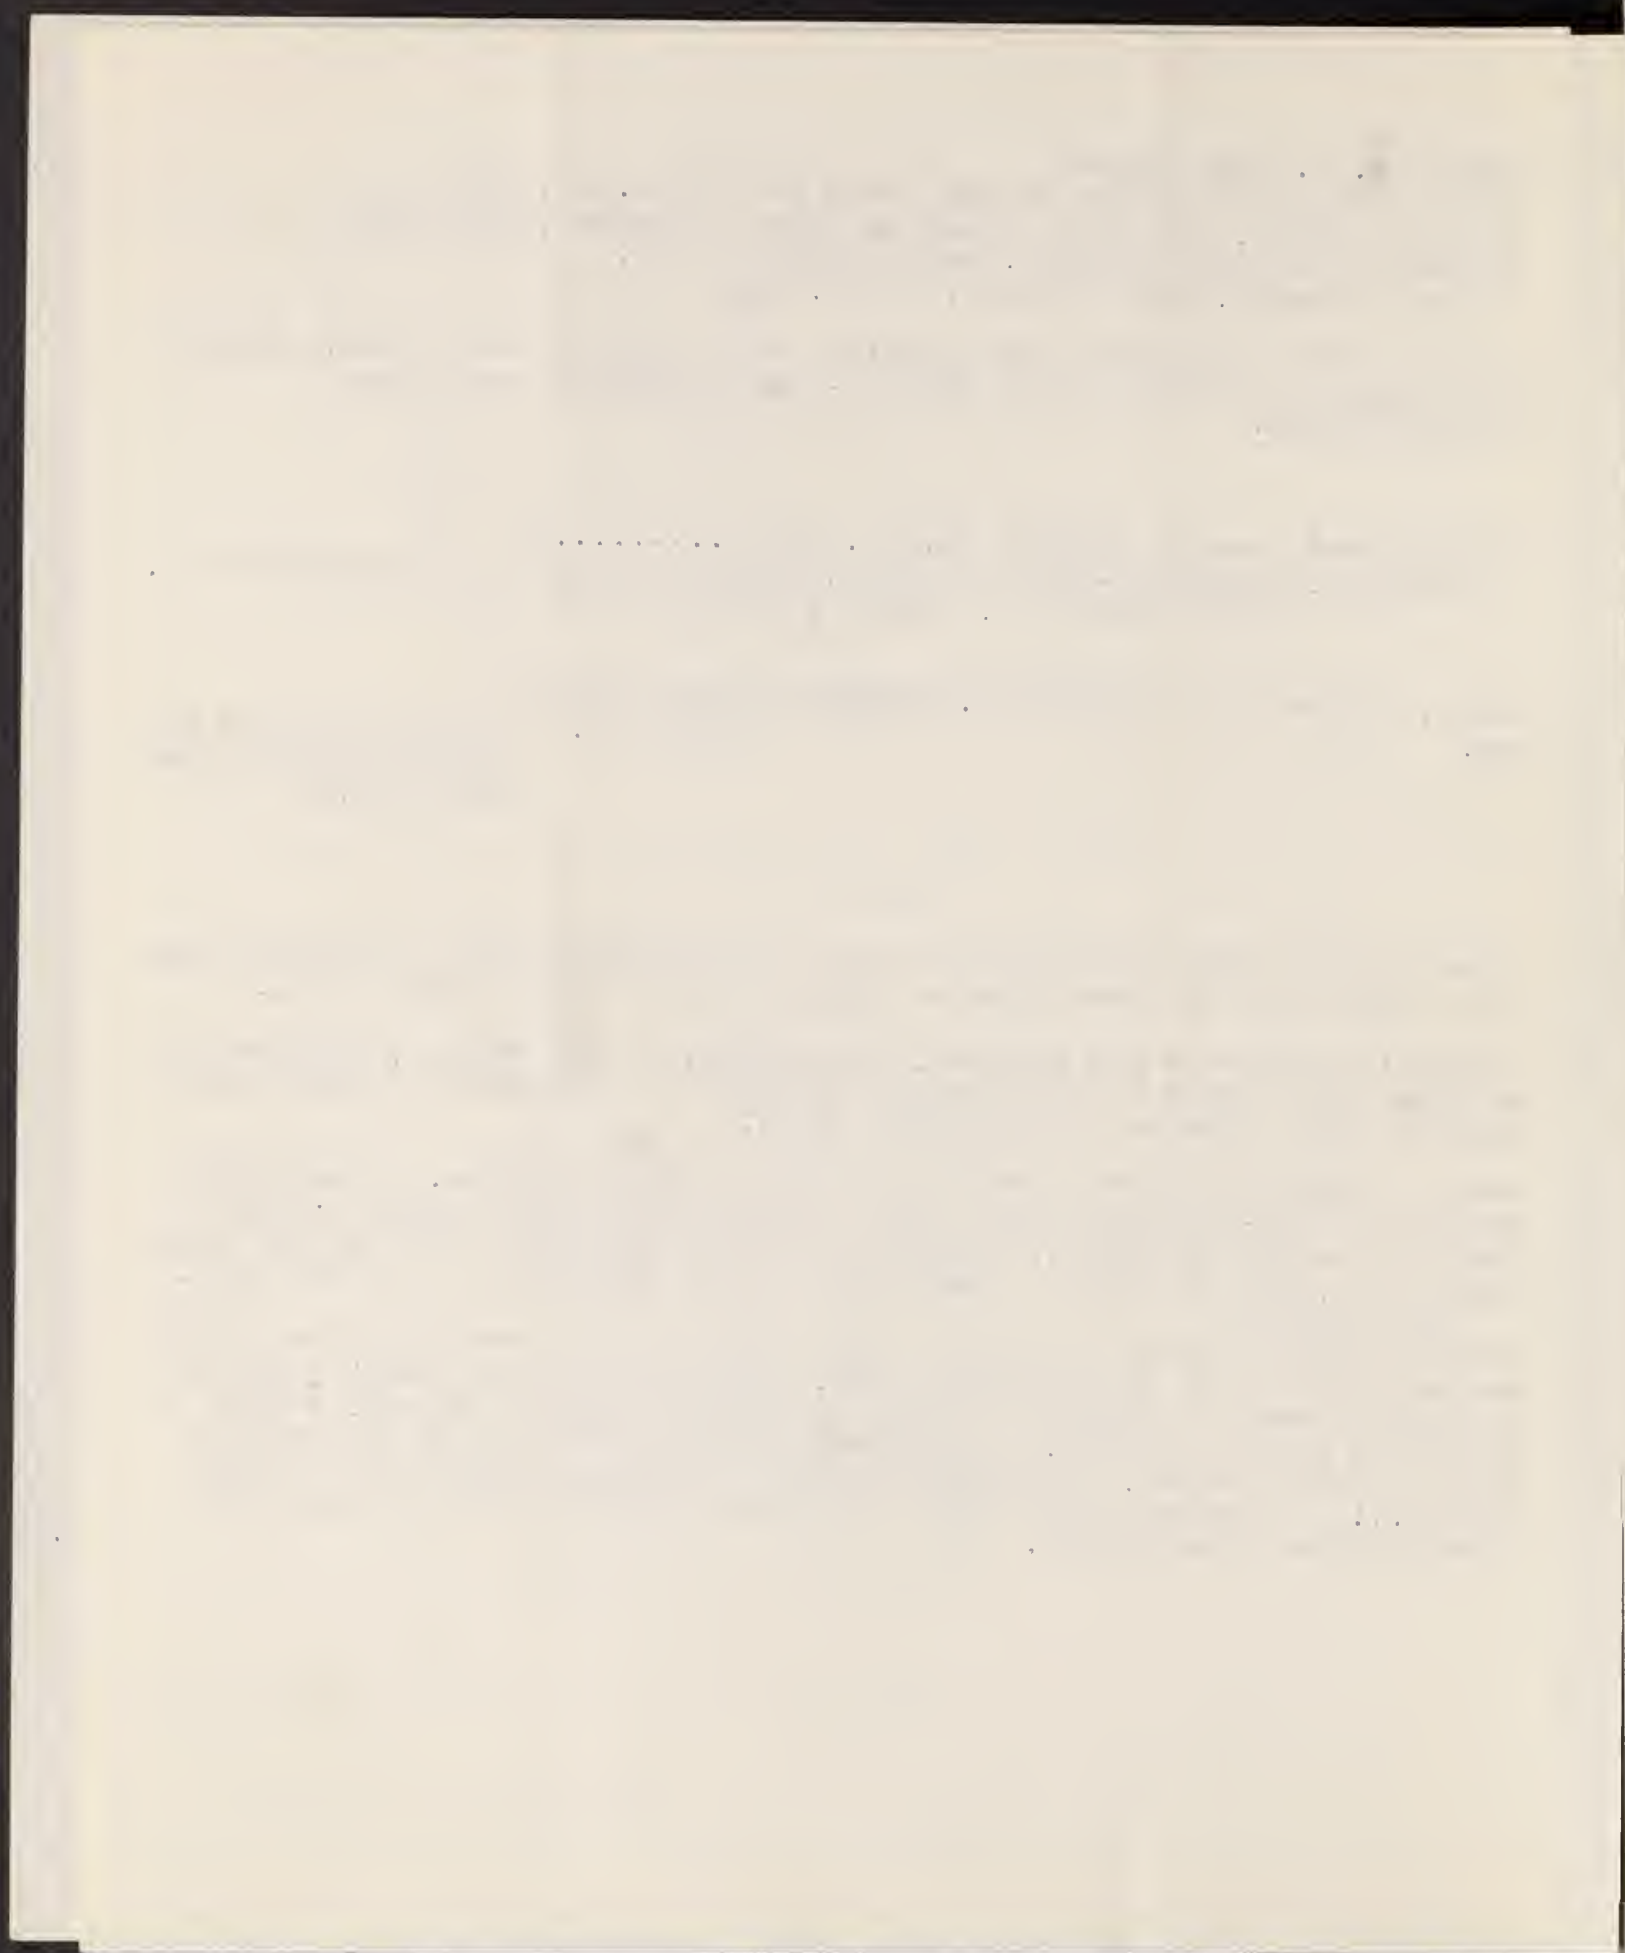

Ann, " " " " " John Hosey. (I used to hear my
father speak of Aunt
Ann Hosey.)

I have heard that Barnard went to live at Kingston Mills. Several years ago a lady wrote me from Florida about her ancestor Bernard Van A.

Lambert's brother Jonas married, apparently, a Jane Van A., daughter of an Isaac Van A whom I would assume was Isaac the brother of James who married Lydia Larrewa - cousins do marry!

David Secord's children married and lived around Napanee. I knew his son John (1840-1929) and that son's children and Grandchildren; also Irvine, Charles and Rhoda. and some of their families. Irvine had a son named John, but that is the last John I know about and he is too late.

Charles Secord
Charles used to speak of family connections in Kingston and area, but I was not interested in genealogy then, in the 1920's and 1930's, and so no doubt missed the chance to pick up missing links. Indeed, Wesley (Father's oldest brother) always declared that the line I now know as that of David Secord, was absolutely no relation of ours. How wrong he was!!! Of course there was a different mother, but there was the common father, Lambert Jr.

Deaths - Funerals

MRS. NICHOLAS VANALSTYNE

NAPANEE, March 13— At midnight Friday night, death claimed one of the oldest residents of Napanee in the person of Mrs. Nicholas VanAlstyne in her 87th year, at her home on Mill Street where she had resided for 65 years. Taken ill several days ago her condition took a serious aspect and for a couple of days preceding her passing it had become very critical. Mrs. VanAlstyne, before her marriage, was Miss Alice Price Graham, a daughter of the late Mr. and Mrs. James Graham. She was born near the Bath Road, about

three miles from Kingston, and when a girl came to Napanee with her parents and this had been her home ever since. Her father for many years was a ship carpenter and he assisted in the making of numerous boats.

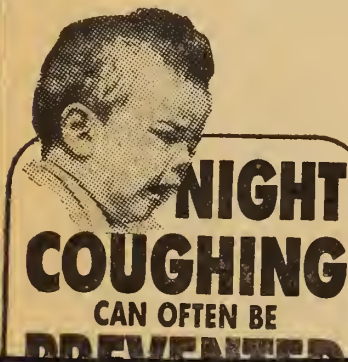

During her many years residence in Napanee she was a member of Grace United Church and until advancing years prevented was a regular attendant at the church services and took part in the work of the women's organizations.

To Mr. and Mrs. VanAlstyne were born twelve children, six of whom have passed away. The surviving members of the family are F. J. VanAlstyne of the staff of the Napanee Express, Harry VanAlstyne of Napanee, Mrs. Ralph Burgess and Mrs. Leland Slater of Syracuse, N.Y., Mrs. Clarence Dawson of Watertown, N.Y. and Mrs. M. P. Husband of Marysville. The husband of the deceased passed away twenty-three years ago.

Mrs. VanAlstyne also leaves two brothers, Edward Graham of Belleville and James Graham of Gretna and two sisters, Mrs. Mary Fields of Gretna and Mrs. Rebecca Gates of Napanee.

A resident of Napanee for possibly seventy years, Mrs. VanAlstyne was exceptionally well known and was held in very high esteem by a wide circle of friends.

divisions of government.

Legislative, Judicial and Executive, have become each in themselves almost ideal and the envy of other democratic nations of the earth, Major Walmsley said.

The privileges, said the Crown Attorney, of being a citizen of Canada, or a Canadian citizen, is one that must be cherished and kept inviolate by all means in our power. It follows, therefore, that there are responsibilities in connection with our citizenship and it is about those responsibilities that I wish to talk about, for unless every last one of us here fights with all his strength and power to protect our country and to uphold the principles of Canadian citizenship, we will be swept away by a titanic and terrible force, the like of which has never before been seen in world history.

When we went to school we were taught in Latin that all Gaul was divided into three parts. Nowadays the whole world is divided into two great forces. On the one hand we have Russia with her tightly bound group of satellites comprising the most powerful and dangerous military organization that the world has ever seen. On the other hand we have a loosely bound group of democratic countries with no tightly bound leadership, hoping that Russia will be satisfied with the bones that she has already received and will not climb over the fence into our fields to take more.

Whether you like to consider Russia and her satellites as trying to dominate the world through the forces of Communism, or whether you like to consider it as one of those devouring invasions from the northern steppes which in ages past have often changed the fate of nations and the maps of Asia and Europe is immaterial. In my opinion, it is not altogether Communism that seeks to dominate the world, and I have always felt that it is the age old attempt of the Slavs to establish themselves as the rulers of the earth. Actually the meanest peasant in Russia has always been impressed with the be-

Dr. H. C. Burleigh
Bath, Ontario

Dear Dr. Burleigh:

Last week Mr. J. M. MacIntosh, Trust Officer of The Dollar Savings and Trust Company of Youngstown, Ohio, and the writer were in Napanee, Ontario and other towns in an effort to locate one Charles H. Van Alstine, who was the son of one Charles W. Van Alstine.

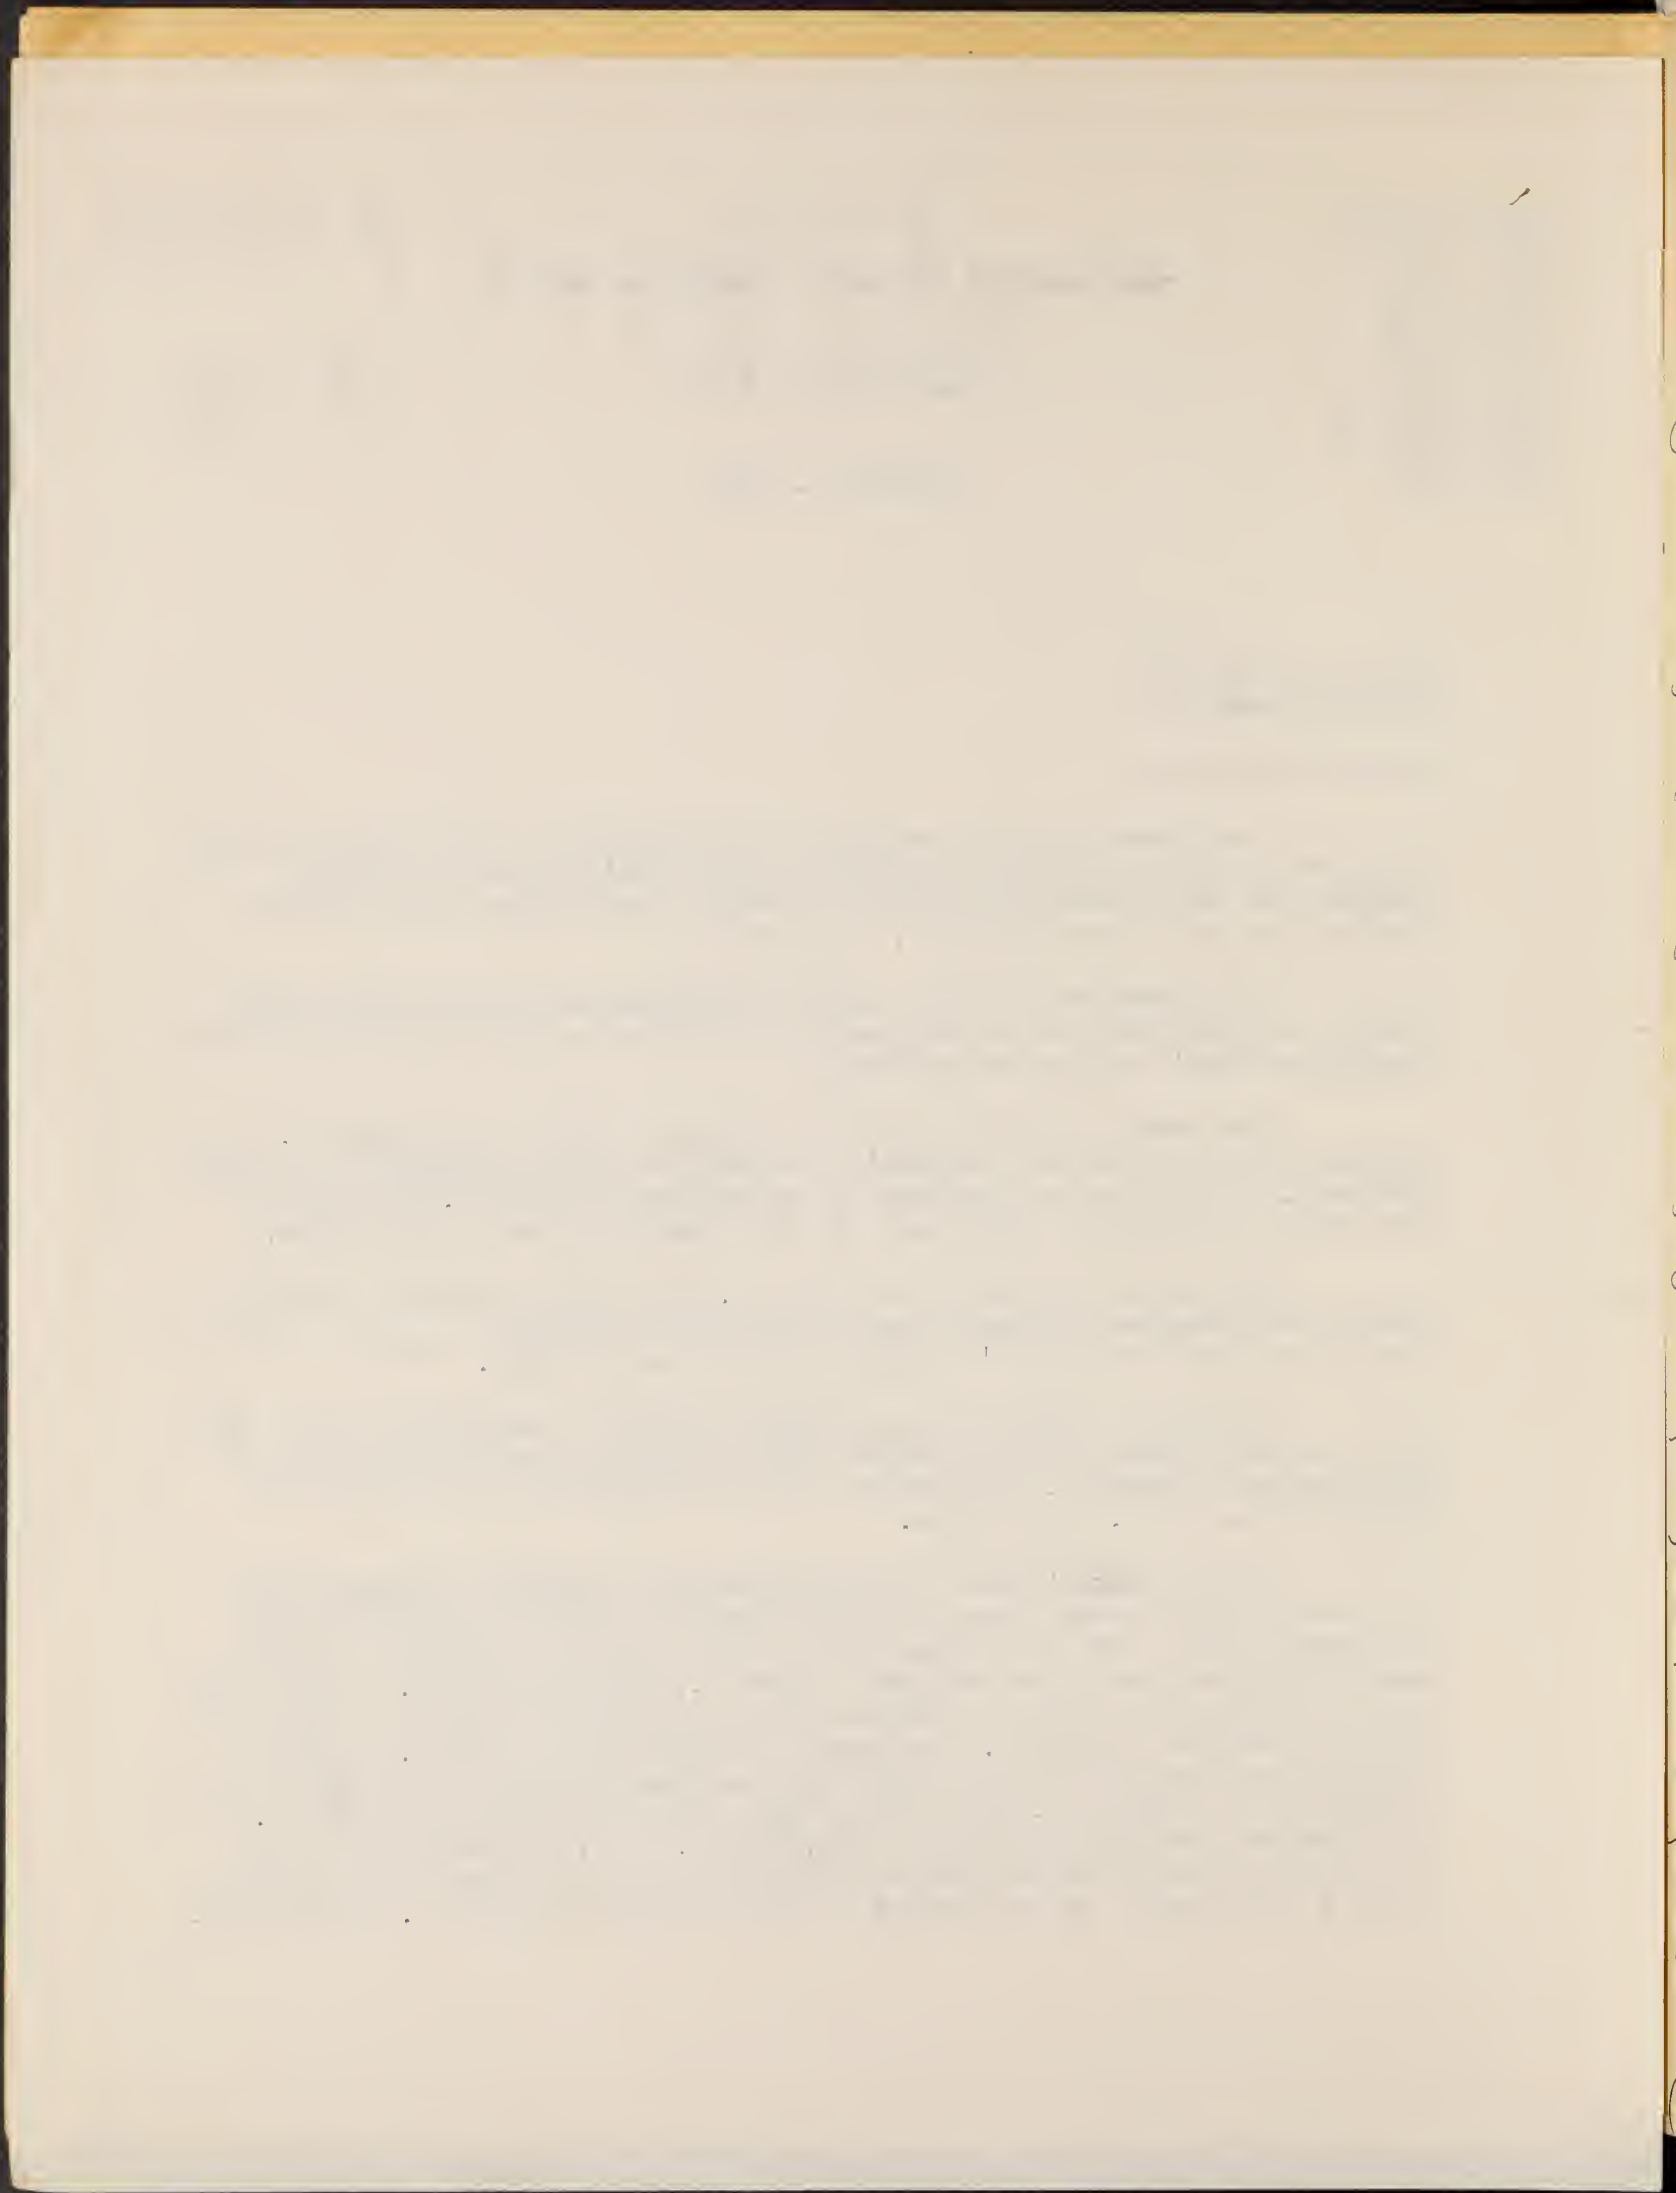

At Napanee we saw Miss Hazel Van Alstine who lives at 166 Centre Street, and she informed us that you had considerable data on the Van Alstine family and might be of some assistance.

The Bank is acting as Trustee under the will of one Thomas B. Van Alstine who died testate a resident of Youngstown, Ohio on February 11, 1928. Thomas B. Van Alstine was survived by one daughter, Blanch W. Van Alstine, who died in California on February 18, 1956 unmarried and without issue.

The death certificate of Thomas B. Van Alstine indicates that he died in Los Angeles, California, that his father's name was _____ Van Alstine and that his mother's maiden name was Rachel Knapp.

The will of Thomas B. Van Alstine mentions a deceased sister, Anna Van Alstine Griffith, and a deceased brother, Lambert Van Alstine, and a half brother, Charles W. Van Alstine, who is described in the will as the father of Charles H. Van Alstine.

We have ascertained through biographical sketches published here in Mahoning County that Thomas B. Van Alstine was born at Kingston, Ontario on February 1843, settled in Youngstown, Ohio in 1867, and married Susanna Wehr in 1868 and had three children, Blanch W., Jessie and Ruth. Both Jessie and Ruth died prior to 1921 unmarried. His wife died in August of 1909, and only his daughter, Blanch W., survived him when he died in 1928. His will directed that upon the death of his daughter Blanch without issue, his Trustee should pay to "Charles H. Van Alstine, son of my half brother, Charles W. Van Alstine, Five Thousand Dollars (\$5,000.00)." Mr. MacIntosh and I were unable in our visits to New Castle, Colborne, Kingston, Sydenham and Napanee to find any trace of either Charles W. Van Alstine or Charles H. Van Alstine.

Dear Dr. Burleigh:

Would you please be kind enough to tell me what Van alstyne families settled in the Bay of Quinte area after the War of the Revolution. I have a fair knowledge of Major Peter Van alstyne & his family. I am interested in the other Van alstyne's, were they related to Maj. Peter Van alstyne?, if so, how?

Your co-operation will be very much appreciated. Please answer this letter sincerely

Dr. H. C. Burleigh

Dear Mr Burleigh;

For years we have been looking for a Great Grandfather of my mother, by the name of James Aaron Van Alstyne, who was born in "Canada", he was married in Sweeds Church Phil, Pa. 27 Sep 1779 to Elizabeth younger of N.J. just across the river from P.A. and born in Canada abt. 1755. I do not know who his parents were, I almost am sure he is descended from the N.Y. Van Alstyne family and very likely a disend of Isaac Van Alstyne, the name "Van Alstyne" more often misspelled than correct. Almost sure he was in Ontario Canada,

The fact he always used James leads me to believe his name was James Aaron. It could be that Aaron Van Alstyne was a son of James and Elizabeth younger, because Phebe Van Alstyne was born 8 Jan 1803 in Springfield Erie Co. Pa. in census record said her father Aaron was born in Canada, her mother was born in N.J. and her

Name was Elizabeth. I am sure there were
other children in the family but I do not know
there names, the James could have been a
sympathizer and went to Canada after Rev. and
Aaron was ~~married~~^{born} there then came to Pa and
Phebe could have been born ~~there~~^{in P.A.} but Phebe
Aaron Van Alstyne would be born abt. 1780. in that case

Child No. 5 James Burnet could be named after
his father or grandfather. Phebe was
very sure her father was Aaron and
born in Canada. Will you see if you can find
him for me, or tell me where I might find him,
or tell me a good searcher.

Dear Dr. H. C. Burleigh,

I wrote to you some time ago, and sent some data I had received on the Van Alstyne lines also what material dates I had. I have found much more information taken from files in Canada, To start with my grandmother Phebe Van Alstyne B. Jan, 1803, in Springfield Erie Co. Pa. said in census records 1880 U. S. A., that her father Aaron Van Alstyne was born in Canada. I find her father Aaron Van Alstyne was son of James Van Alstyne & Lydia ^{Van Alstyne} of Tryon Co. She married 2nd Isaac Croother. James Van Alstyne was in Br. John's 1st Battle, died during war 1783 left 5 five children, they appear to have been all under age in 1783 ~~they~~ James Van Alstyne had served all the war in Sir J. Johnson's regt. lived on Susquehanna had land in Susquehanna.

I understand James was son of Peter Van Alstyne also correlations, Jacob, Jonas, Isaac, Peter, James. It is a question where Lydia James Van Alstyne wife & children went. If you can tell me more of this family I wish you would do so. I need proof that Aaron V. was

son of James & Lydia we believe he was, or can you
tell me where I might find out. The childrens names 1st son was
Lambert, served as fifer ^{1st} ~~2nd~~ ^{Regt} Sincerely

Dear Sir,-

I have been trying to
get information on the
descendants of Major Peter
Van Alstine.

I wrote Mr E. C. Young
Wellington. (Box 73 P.O. E. C. Ontario)
and he got in touch with
John N. Van Alstine Trenton but
as he had this information
that Peter Van Alstine was a
descendant of one of three brothers
who came to America from
Holland, but they don't seem
to have much more details and
John N. Van Alstine suggested that
I write you, thinking that
you no doubt have more data
on the Van Alstine family.

My Mother Lina Rachel
Van Alstine Jones. was a daughter
of ~~Thomas~~ William Henry
Van Alstine and Catherine Edmonds.

Not a member of B. of Q.
Branch.

#2.

I am Mrs. Myrtle Jones Bennett,
also a U.E. My mother married
Royal Jones, and I married
Arnour Bennett, Beelville,
and lived in Beelville from
Nov 30th/1914 when I was
married, but my husband
was killed in a car accident
Nov 27th/1952. I lived alone
until Oct, 1957, then I moved
up to Sudbury to live with
my son Clifford Jones Bennett
and his wife.

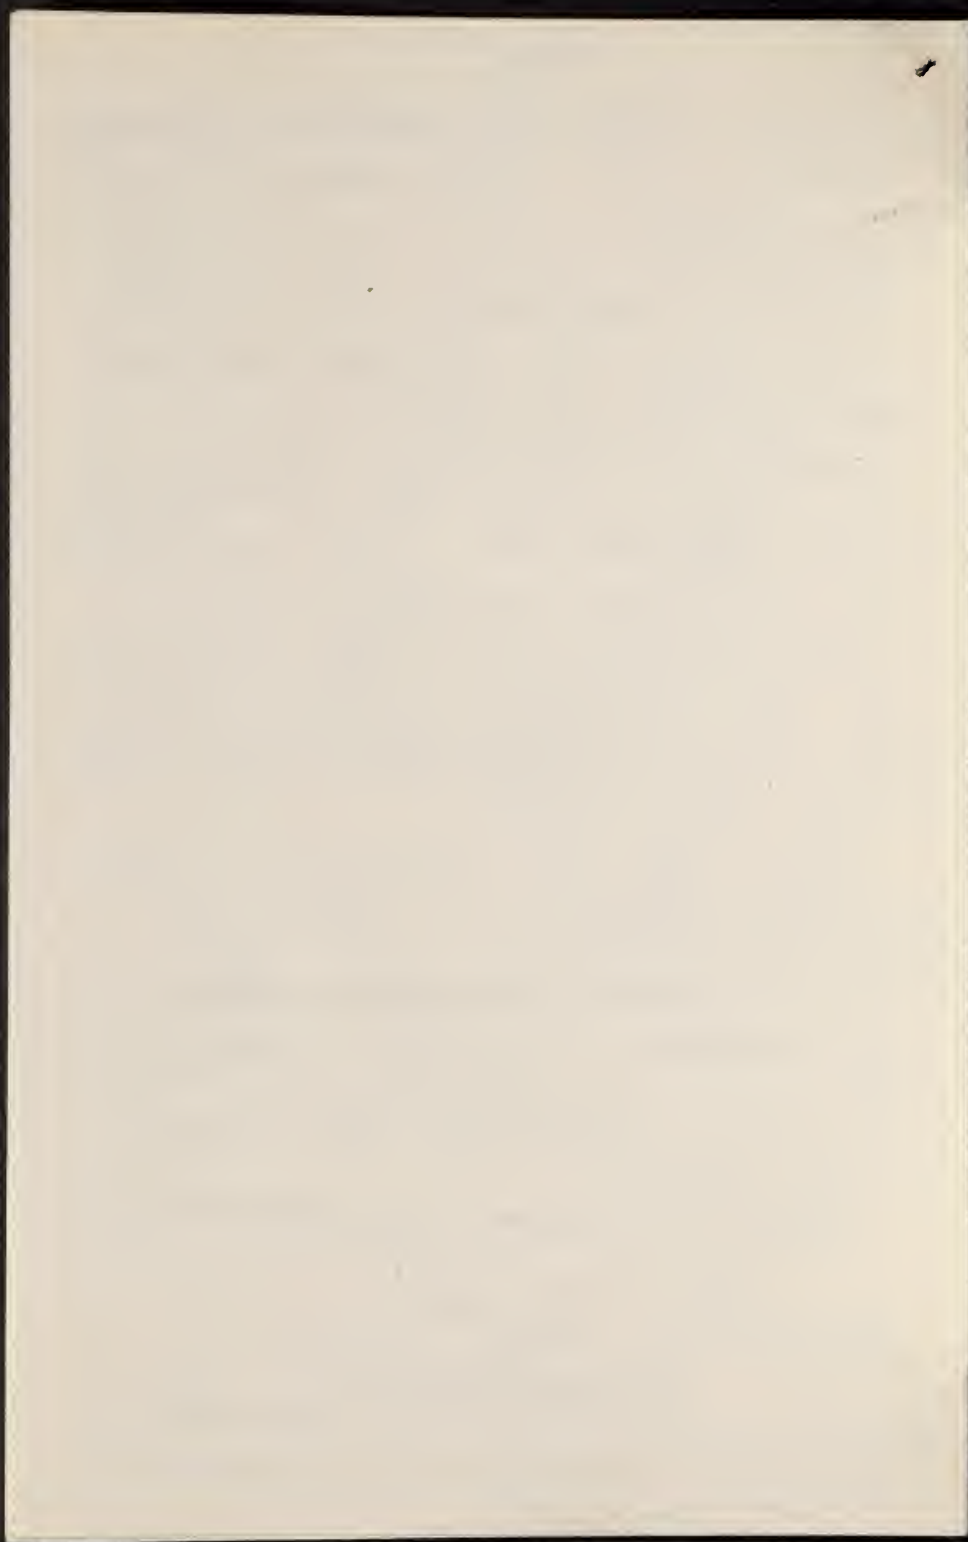

I am trying to get all the
family history on both the
Van Alstine family also.
my mother's mother Catherine
Edmonds. for my son and
grandsons.

Thanking you in advance.

Sincerely Yours.

Mrs. Myrtle J. Bennett.

Dear Sir:

One day not long ago I was talking to a young man in our Ontario Archives. When I wondered how I could get some historical information from your area, he suggested I write you. I believe he was a young minister by the name of Lamb.

I am trying to get some information on these families who may have settled in the Kingston area: Buchner, Lemon, Marr and Van Alstine. I believe en route to the Niagara Frontier some of these families came via Kingston and some stayed in the area.

I would greatly appreciate any information I can get on the above families or where I could write for it.

By the way, I was born and raised in Courtland, Ontario, Middleton township, Norfolk County, and one of the early mill owners there was a Gordon Burleigh. Apparently he still has descendants living in the area but they spell the name Burley now. I am endeavoring to write the history of my home area and the Burleigh/Burley family will be included. Would they be your family?

Incidentally, the name Buchner is sometimes spelled Boughner and in later years: Buckner although Buchner is the correct spelling.

Thanking you I remain,

Napanee, July 3, 1970

Dear Dr. Burleigh:

This will not be of much use to you, as there are so many gaps that I can not fill in. But I thought it might be well to give an outline as I have done on the two sheets.

Duncan Bell is mentioned as a witness at marriages in the early registers of Langhorn and McDowall. I presume he was a brother of Annie Bell and that Lambert's son, Duncan Bell Van A. was so named by Annie - a second wife would hardly name a child after the first wife's family! And yet apparently the second wife, Mary Hannah, had a daughter Ann who married a Mr. Hosey and whom my father remembered.

The lady from Michigan speaks of a John born in Kingston area in 1850, who went to live with his sister Ann in Michigan. I'm sure that Aunt Ann Hosey died and was buried in this area. My father was born in 1864 - and anyway the Ann you mention married a Bates. There are the three brothers of Lambert Jr. - Isaac, Aaron and James - about whom I can find no information, except that in the list of U.F.L.'s made out in 1796, the names of Lambert, Isaac Sr. and Isaac Jr., I think! The dates of the five sons of James and Lydia - I forgot to put them down on other sheet - Lambert (1765-1823); Jonas (1767-); Isaac (1773-); Aaron (1775-); James (1776 or 1777 -) So the last three were quite young when they came with the grandfather and mother Lydia to Canada. Jonas' line stayed in Fredericksburgh and I have no record of a John in that line. Lambert came to Richmond before his first son was born.

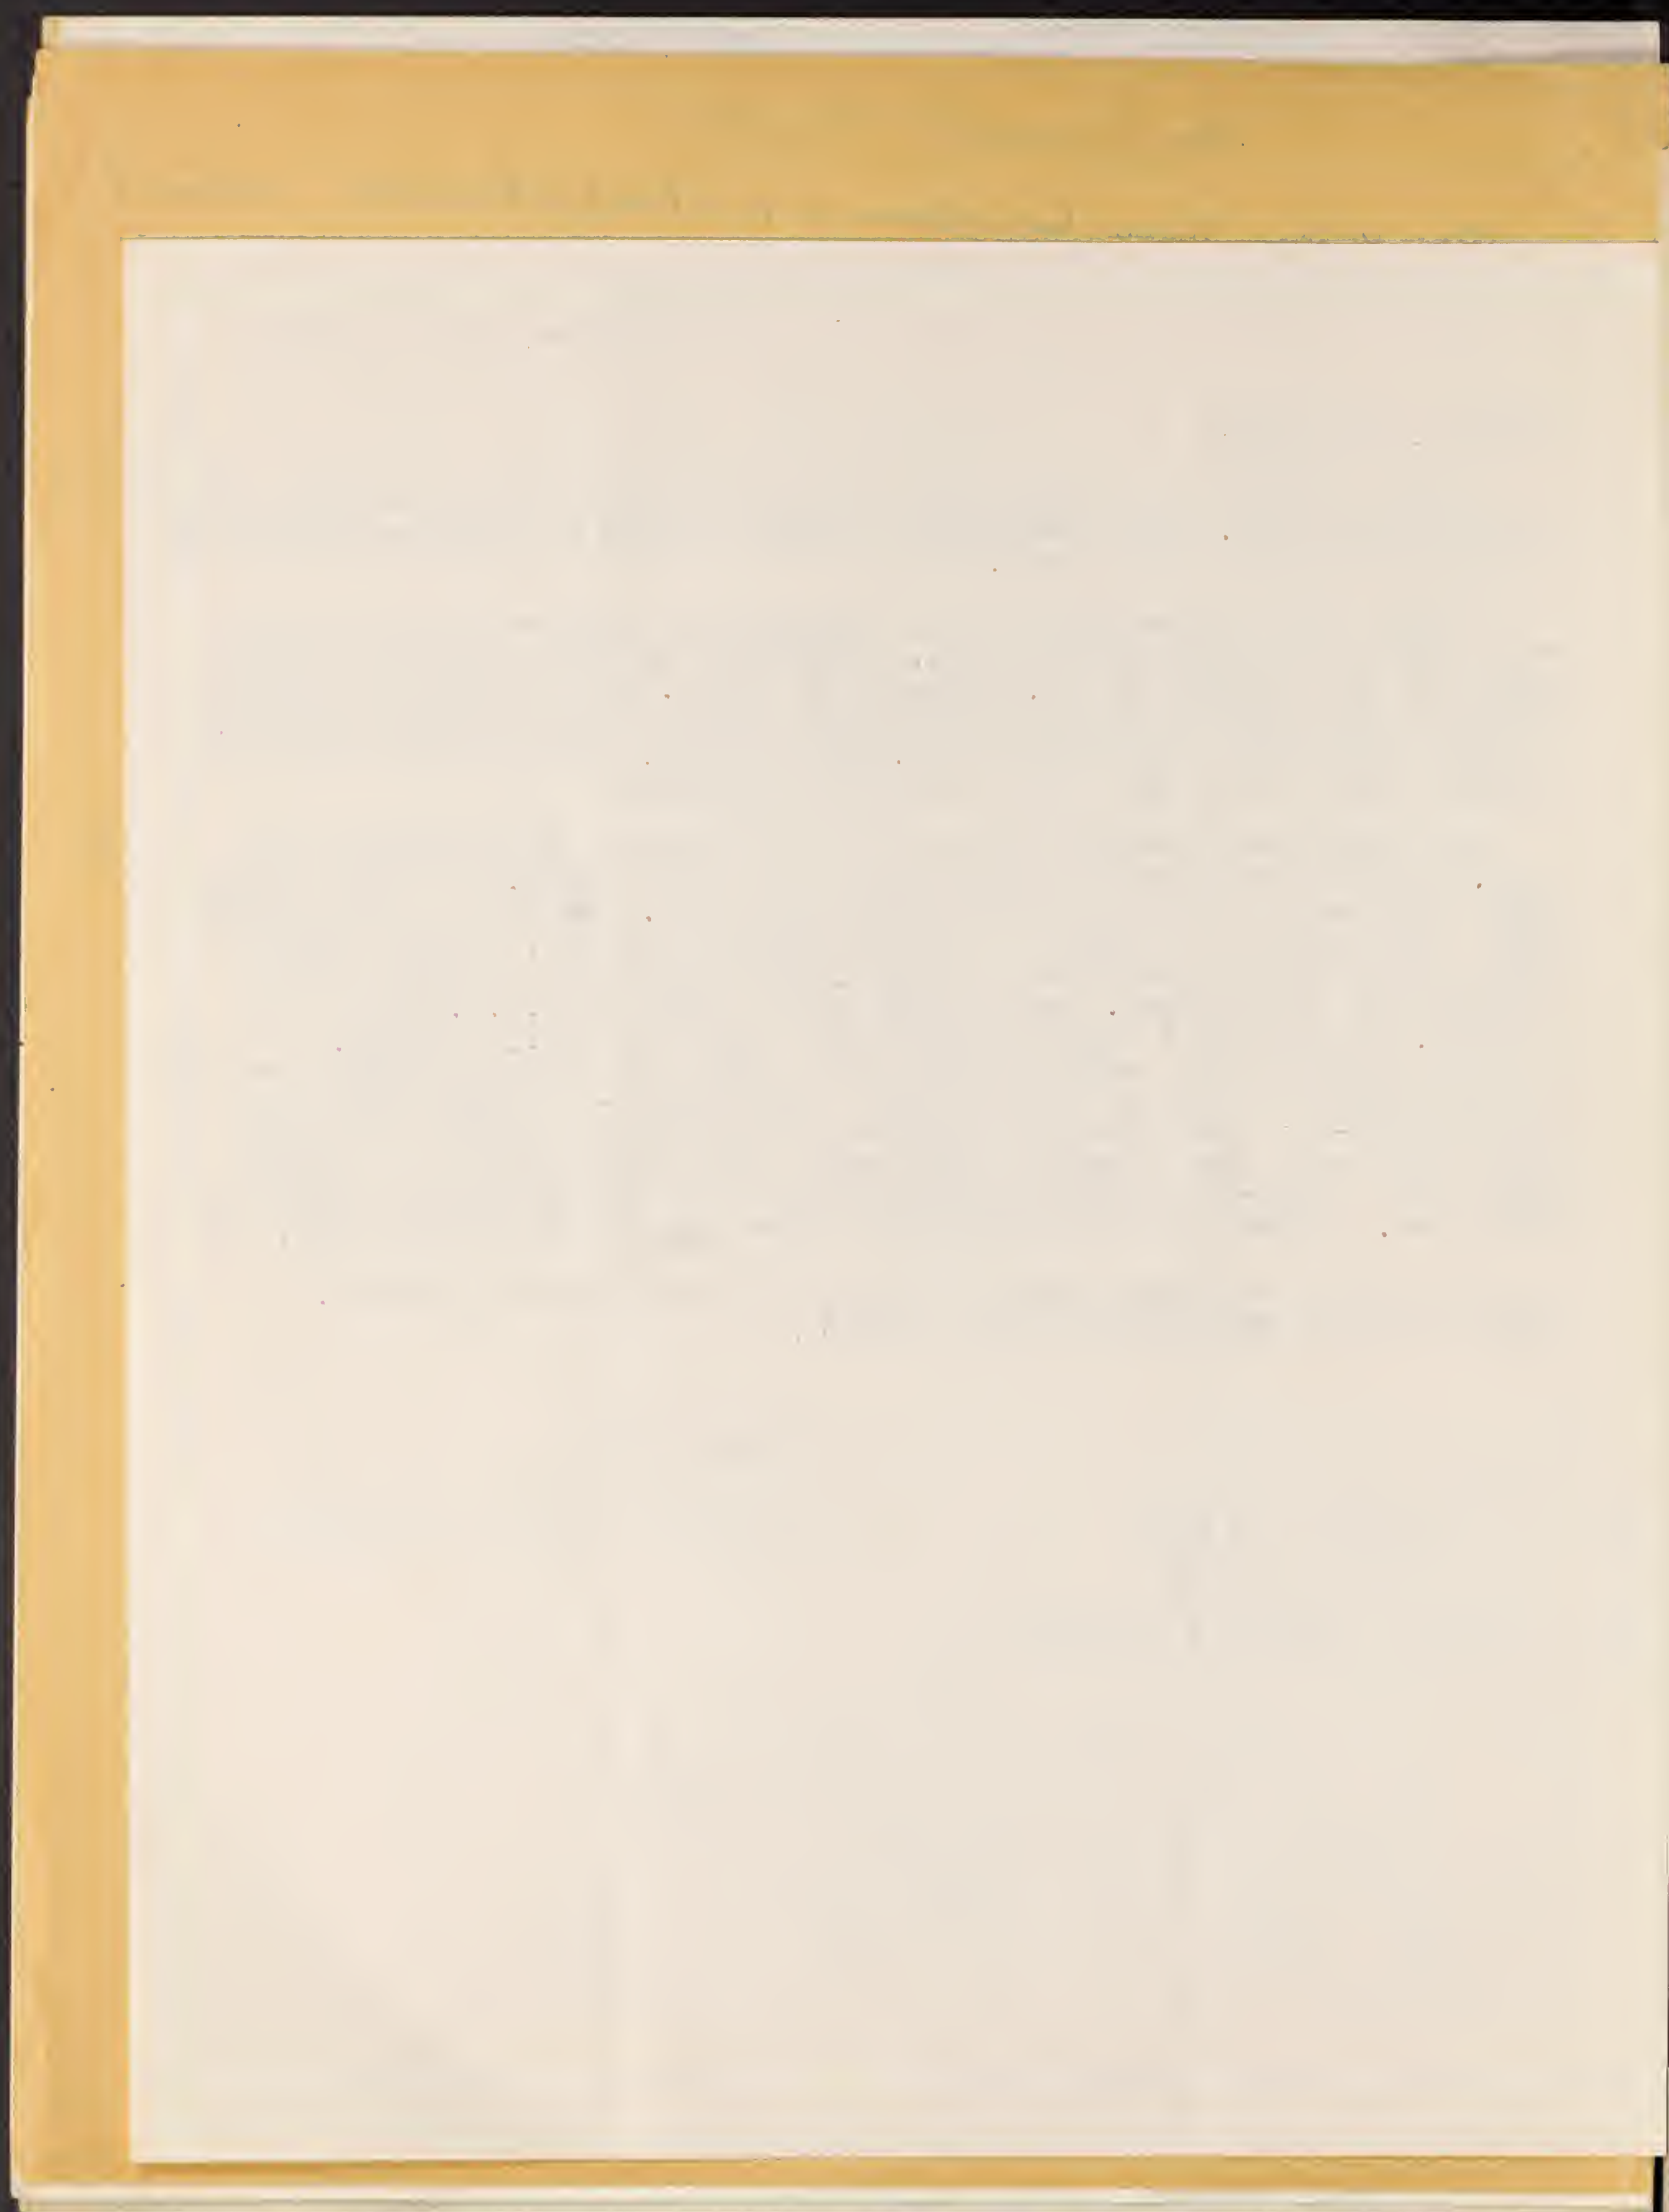

It's all a confusing jungle to me and I can not help you out. I'm sorry - but it puts my head in a whirl!

Yours truly,

Walter L. Van Dine

*The name Lambert

museum - and no

OBITUARY - JOHN VAN ALSTINE from Gladwin, Michigan, newspaper
1924

John Van Alstine was born in Kingston, Canada, April 2, 1850, and died at the home of his daughter, Mrs. Allen Card, in Sage Township (Gladwin county), November 29, 1924, aged 74 years, 7 months, and 27 days. At the age of 12 years, he came to Michigan and made his home with a sister (Ann), Mrs. (Judson) Bates, in Sanilac County.

He was married to Harriet Babcock May 24, 1871, and to this union were born 9 children -- 7 girls and 2 boys. Mrs. Van Alstine passed away nine years ago last May. His son Walter died at the age of 16, and Eva died in infancy.

Mr. and Mrs. Van Alstine came to Gladwin County 36 years ago and settled in Gladwin Township, and 8 years later moved on their farm in Butman Township where they resided until after Mrs. Van Alstine's death. For the last 3 years, Mr. Van Alstine had made his home with his daughters, where he has always found a welcome.

He leaves to mourn 1 son and 6 daughters, Mrs. E. W. Alchin of Fenton, Mich.; Mrs. William Simpson of Flint; Frank of Lewiston, Mich.; Mrs. George Southwell, Mrs. George Weir, Mrs. Henry Edick, and Mrs. Ethel Card, all of Gladwin County, besides two sisters and two brothers, grandchildren and other relatives and friends who will miss one they learned to love. Mr. Van Alstine was a patient sufferer, and in all his sickness there was no thought of complaint, but he was always thinking of those who were caring for him. He died in the Christian faith, believing his soul was going to meet his maker.

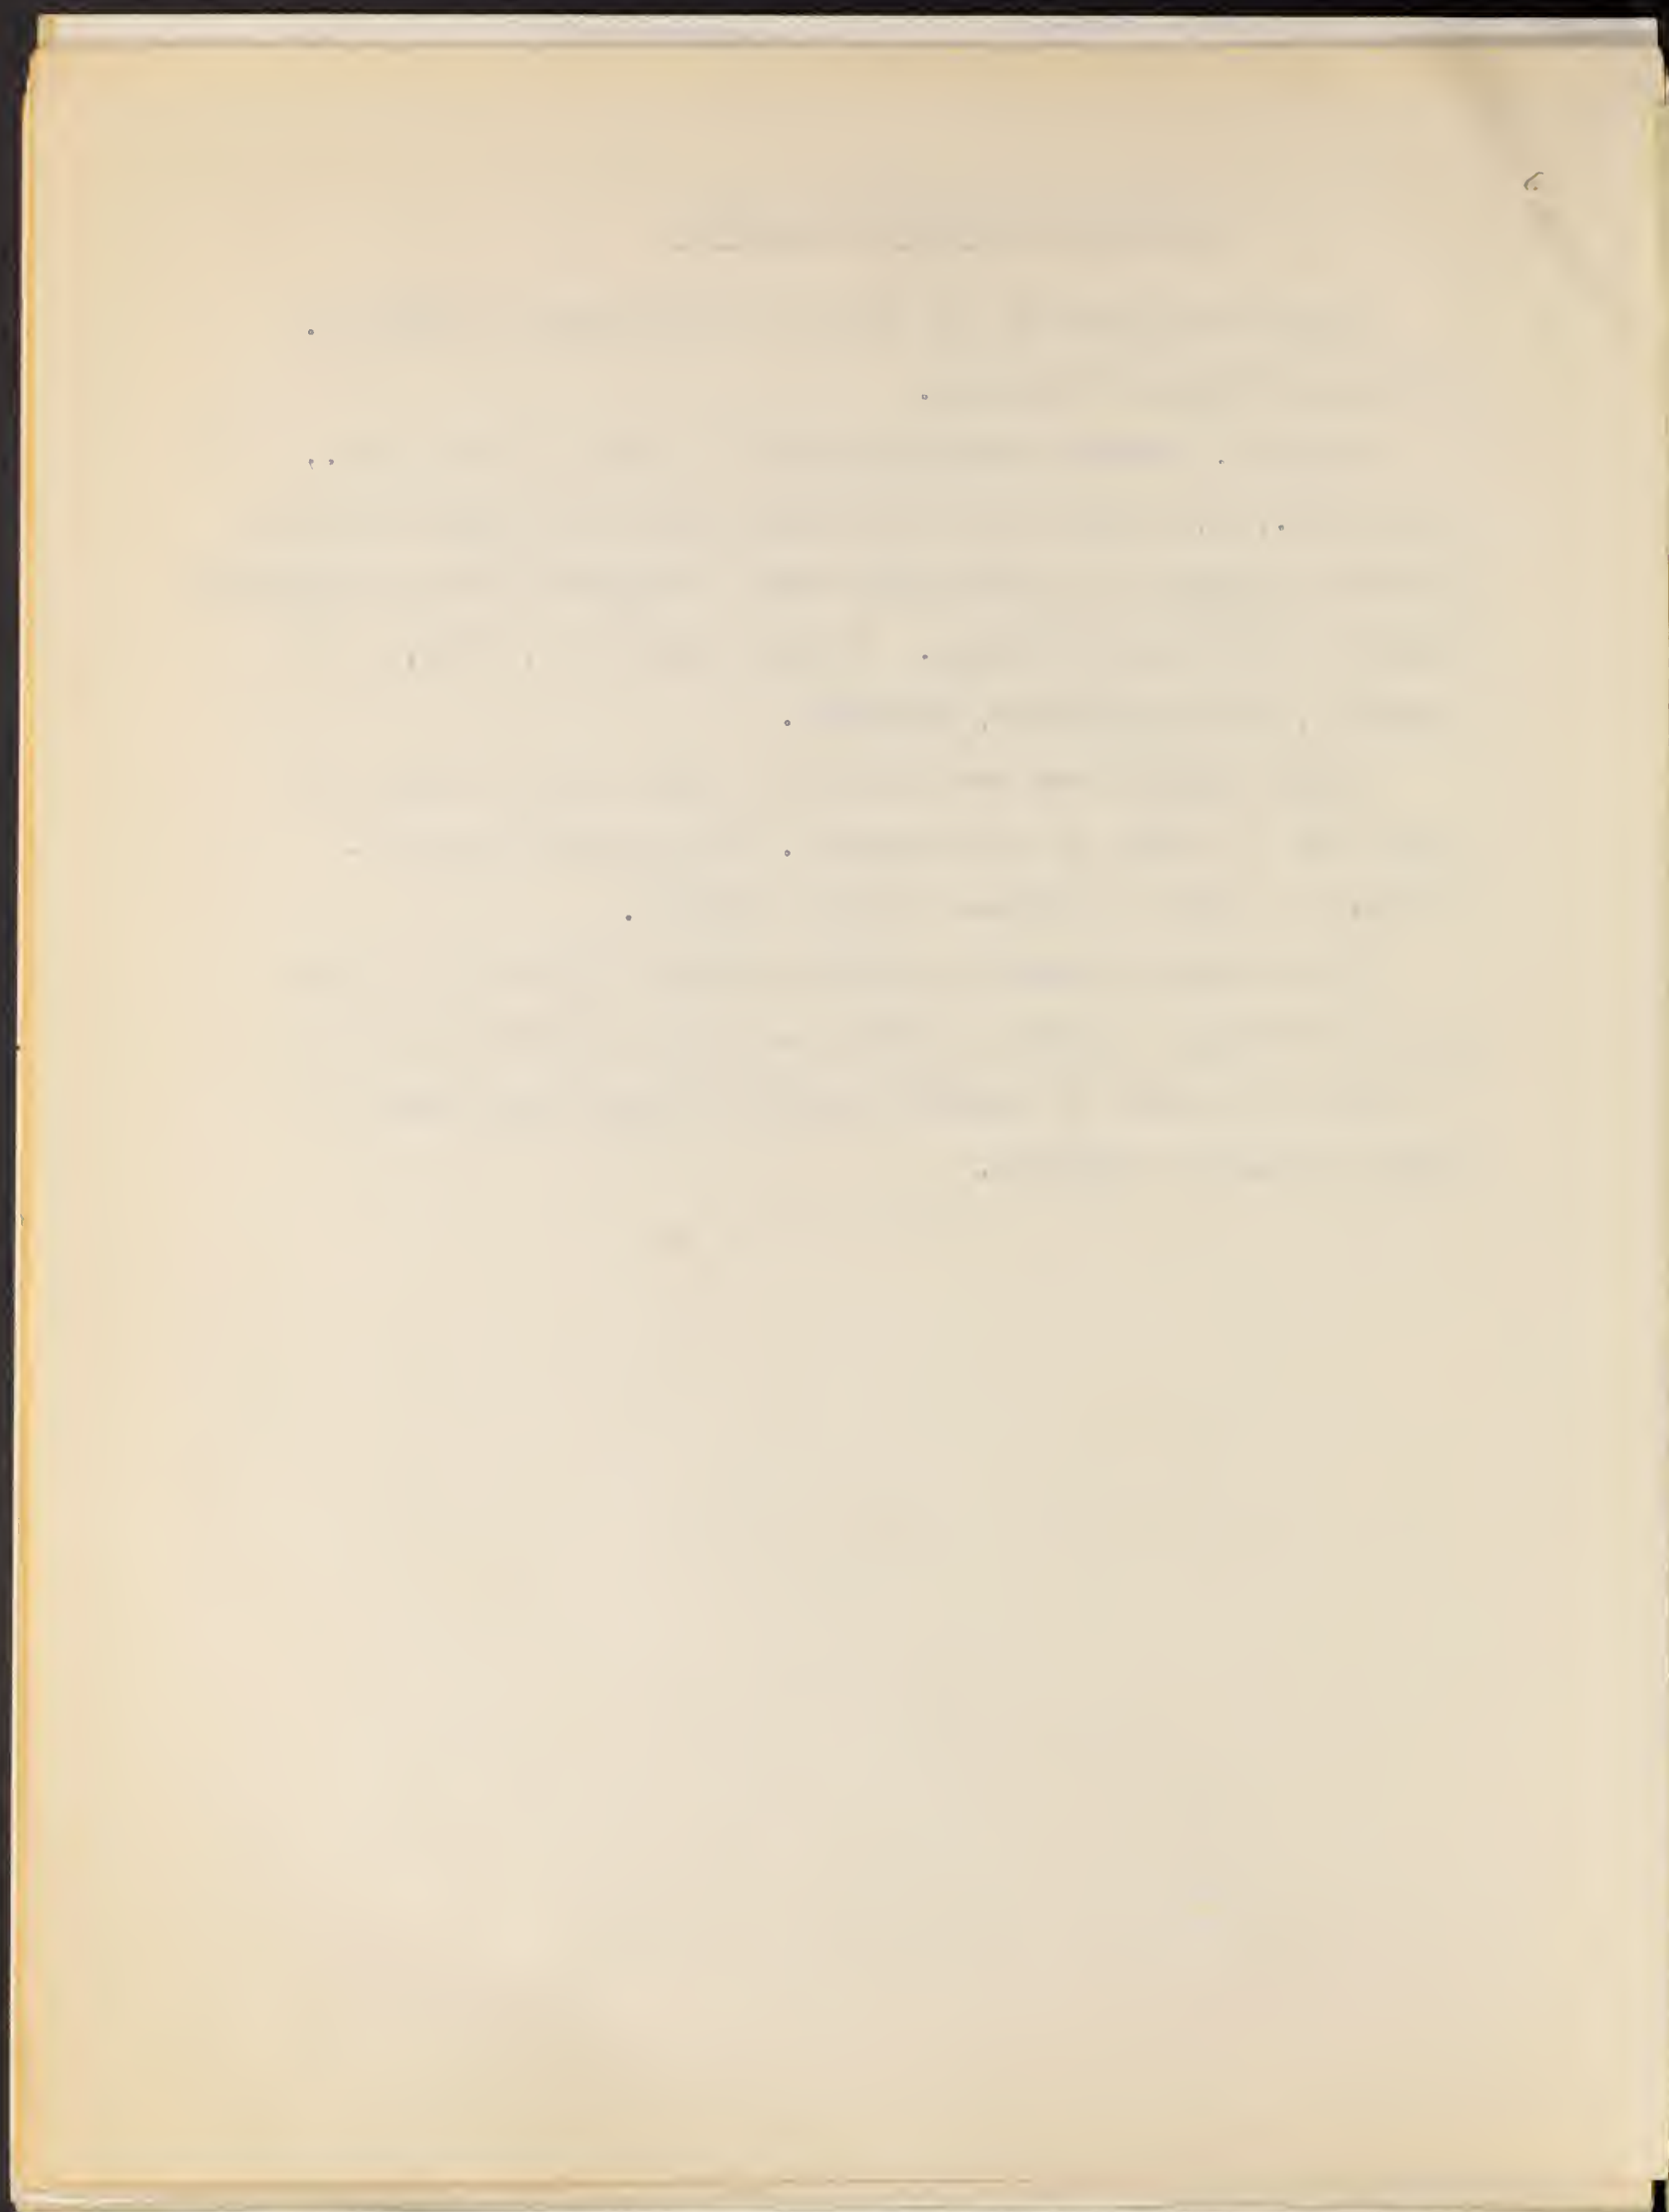

HARRIET BABCOCK VAN ALSTINE

Harriet Babcock was the 8th of 15 children of Henry A. and Betsy (Stryker) Babcock.

Henry A. Babcock was born April 12, 1822 in Rome Twp., Oneida Co., N.Y., the son of Job and Sarah (Williams) Babcock who were natives of Vermont and were respectively descended from English and Irish parentage. He died August 17, 1888, in Elk Township, Sanilac County, Michigan.

Betsy Stryker was born March 17, 1824, in New York and died June 1, 1887, in Elk Township. She married Henry A. Babcock in 1842 in Lambton County, Ontario.

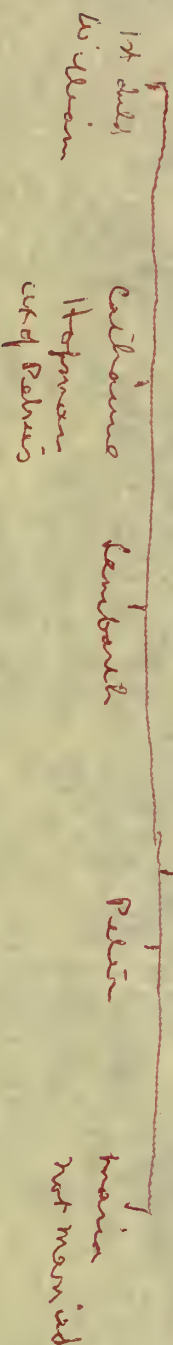

They lived in Warwick, Lambton County, Ontario in 1845 and in Williams Township, Middlesex County, Ontario in 1849. In 1852 they moved to Macomb County, Michigan and later to Sanilac County, Michigan.

William Van Alstine's wife, Rose B., is presumably Rosetta S.
Babcock, born in Warwick, Lambton Co., Ontario in 1850. She is a
daughter of Henry A. and Betsey (Stryker) Babcock of Sanilac County
and sister to Harriet (Babcock) Van Alstine who married John.

This is all we have to date, but the search continues. We hope
it is of some value to you.

Dear Dr. Burleigh,

We have uncovered a little more information in regard to my Van Alstine relatives. Perhaps it may be of some assistance in tying in our Gladwin branch of the Van Alstine family.

My great-aunt Harriet (Van Alstine) Weir, of Gladwin, Michigan (a daughter of John Van Alstine and Harriet Babcock) recalls William Van Alstine who married a Babcock and lived for some time in Gladwin. He was a brother of John Van Alstine. Aunt Hattie's memory is not as sharp as it once was, but she does recall visiting "Uncle Bill" when he lived on a farm near Marlette (Sanilac County) Michigan, prior to his moving to the Gladwin area.

Harriet also recalls a woman (married name Shoemaker) who lived in Oxford, Michigan. She believes this woman was John Van Alstine's sister. We have not been able, as yet, to verify this.

We were successful, however, in locating the census records for Sanilac County from 1850 - 1880. (1890 is missing.) We cannot locate any family named Bates in this county during that period. John Van Alstine was supposed to have lived with a brother-in-law, Judson Bates. Also, the name Van Alstine does not appear until the 1880 census. It is apparent, therefore, that the Bates-Van Alstine group were from some other county or country. We continue to search for records in the surrounding counties, but have not yet succeeded. The census data follows:

Dear Dr. Burleigh,

At last I got an opportunity to slip out of the office a wee bit earlier than usual, in order to re-register with the Archives. I looked at reel C-954 for Kingston Township, but I doubt if I found anything of value to you. I found only one Vanalstine family, and a few scattered Bates. Nothing close to your description. Nearly half the record is missing, which may account for my failure to locate the family you describe. However, I could find only the one surname (same family) in the Agricultural Census.

For what it may be worth, here it is:

Kingston Township, District #3, page (printed) 135, (written) 23, line 25ff.

Isaac Vanalstine, Labourer, born Canada West, W. Methodist, 36. Log 1 storey	
Elizabeth, 34	
Mary 16	<i>the likely son of Lambert, Jr. & Mary (Hanna)</i>
Charles 14	<i>16 born 15.9.1855</i>
Rhoda 12	Agricultural Census shows that he
Charlotte 9	lived on the 5th concession, and
William 7	he is listed between lot 21 and
John 4	lot 22. The only notation on the
Martha A. 1 (born 1851)	line is "on shares".
	See p.83, line 35.

There is also a Mary L. Vanalstine living with Joseph and Charity Knight as "member of the family". Her age is given as 19, born Canada West, W. Methodist. See District 2, line 39 of page 11.

*Come 6
lot 17*
No Bates family: just an Ann Bates age 17, and perhaps a father and son Peter Bates, 51, shoemaker and Charles Bates 15 with not too reliable-looking ditto marks which may indicate he too was a shoemaker.

You gave me an excuse to look through yet another reel for Permlia Cameron, age about 10 or 11. Now that I have the reel out, I'll search the rest of the townships on it just in case. Should I turn up any Bates or Van Alstines, I shall let you know.

Note, though, that Rhoda, who was 11 as of January 12, 1852, would be born in 1840. John, at 3, is a bit old to be born in 1850. More likely 1848? Calculations based on the column heading "Age next birthday" and the fact that the 1851 Census was supposed to be taken on the 12th of January 1852.

Thanks for getting me in the mood again. Hope I was some help.

Sincerely,

I. June

VANALSTYNE

Jan Martense Van Alstine (or tyne)

The immigrant was called Jan Martense de Weaver. He immigrated to the United States of America from Holland. He was in New York December 11, 1646, for he then purchased a yacht from Jan Petersen. He owned a house and lot in Albany, N. Y., in 1655. In 1670 he owned a farm near Kinderhook, N. Y. On Nov. 4, 1695, he gave to his son Abraham a farm at Kinderhook. He probably died in 1697.

In Holland he had married Derckje Harmense; and probably all his children were baptized there except his son Marten Janse who was baptized in New York July 18, 1655.

The sons of Jan Martense called themselves VanAalsteyn - probably adopting the name from the place from which their father emigrated. To-day different branches of the family spell their names in various ways: VanAlstine, VanAlstyne, VanAelstyn; and one branch has dropped the Van and call themselves Alstyn and Alstine.

The material in this record was gathered and prepared by a Mr. Bromfield of Chicago, in or around the year 1900. Mr. Bromfield (lawyer) was a descendant of Lambert Janse, a son of Jan Martense VanAlstine (tyne), called "de Weaver".

The Canadian branch of the family are descended from another son, Isaac Janse. His son Lammert was baptized April 30, 1710 and died in Canada. Lammert's son, Lambert, was baptized March 4, 1765 and died probably in 1823. This Lambert was a member of the first parliament of Upper Canada. He and his wife lived at Sydenham.

The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom. It is shown that the structure of the atom is determined by the laws of quantum mechanics, and that the laws of quantum mechanics are based on the principles of wave mechanics. The second part of the paper is devoted to a discussion of the application of the theory of the structure of the atom to the study of the properties of matter. It is shown that the theory of the structure of the atom can be used to explain the properties of matter, and that the properties of matter can be used to determine the structure of the atom.

Dear Mrs. Francey

I had written two days ago the enclosed letter to send in with the request for membership application form. After our telephone conversation you sent me the forms anyway. Now that I have received the full forms and studied them I can see that I could do a much more complete job on them if I had more time. It looks like an interest that I could pursue in the coming year. Thus, I am mailing you my letter of March 18th, 1971, the request for membership application form and the \$15.00 fee. On the strength of this, I trust that you will put me in touch with the officers of the two local branches.

As to which branch I would like to join, I have two considerations. One, where does it meet? How often? Two, which branch has a substantial number of people interested in the Bay of Quinte settlement and in the Van Alstine family?

I hope then that you will accept me as a provisional member and give me the time to fill in these forms much more completely.

Yours very truly,

Gentlemen:

I am enclosing an application form on which I have traced my connection back to Peter Vanalstine of Trenton, born about 1805-10, the father-in-law of Allen E. W. Smith of that town who resided there in the early part of this century. Nin Smith, the wife of Allen was a sister of my great-grandmother, Eliza, and both were daughters of Peter and Parmelia Vanalstine. I recognize that the Peter Vanalstine, born 1747 at Kinderhook, New York, the settler at Adolphustown, is further back, but I hope that you can now make the connection for me. I expect he is the grandfather of the above-mentioned Peter.

After pressuring my oldest brother to search his basement from which he produced a number of old pictures, most of which, unfortunately, were not identified by name, I implored him to look again and searching his attic he found a family bible and some correspondence. But this bible dates only from 1889, being given by Josiah Griffis to his wife and the inscriptions are sometimes incomplete. Example, "my mother died in her forty eighth year, February 22, 1882." and later my grandmother added, "Father Griffis died on Jan. 19th, 1912, age 79." However, my grandmother, Susan Griffis (nee Fletcher) has written, "mother Eliza Bartlett died on Oct. 26, 1907 at the age of 75." My oldest brother, Dan Johns of S. S. Marie, believes that she lived her last days in Midland, Michigan, with her daughter Ellen Raymond (nee Fletcher). Another daughter, Anne or Annie, was Mrs. Ambrose Smith of Trenton, Ontario. Eliza had Alfred and Nellie by a second marriage to a Mr. Bartlett whose first name may have been Paul. I have also knowledge of an "Aunt Sadie" (Mrs. Clarence Smith), but I have not been able to fit her in and possibly she is on my grandfather's side.

Among these family mementos are pictures purported to be of "Grandpa and Grandma Vanalstine", "Mary Vanalstine, cousin,", "Aunt Nin Smith", "Aunt Nellie", "Aunt Ellen", "Alfred Bartlett", "The Ambrose Smith family" and others uninscribed. There is a letter written to "Dear Sister and friends" dated Sept. 19, '94, telling of mother's death and containing advice to Eliza concerning other matters. Nin Smith wrote four pages and Allen three pages. The letter is addressed to Mrs. J. H. Griffis, Ewen Mich. with whom Eliza was staying. Included also in these keepsakes of my grandmother is a letter edged in black for Parmelia Scott, "relict of the late Peter Vanalstine" from which I took her birth and death dates and a similar letter for Peter Vanalstine except that it only says that he died on "the 8th inst.," without month or year. It does say, "aged 84 yrs., 11 mos. and 9 dys." Incidentally, he died in Trenton, on Saturday, the 8th inst. There is also a marriage certificate for Josiah H. Griffis and Susan Fletcher dated Jan. 20th, 1886 at Brighton, John J. Leach, officiating minister. He is from the township of Gramahe, Northumberland County, and she is from the town of Trenton. This couple followed the lumbering industry as it moved through Michigan and finally bought land in Korah* Township near Sault Ste. Marie. When he died in 1899, Josiah left Susan with five children and one expected in a log cabin in pioneer conditions. I enclose some very poor quality photostatic copies of the "Vanalstine" pictures mentioned above. It may be that these are familiar to other members of the Vanalstine family. The original prints are quite good if only a little bit yellow. I also enclose a check for the \$15.00 fee.

Yours sincerely

(signed) E. L. Johns

P. S. In actual fact, it was Arvenge Township which was always a political unit of Korah for tax and school purposes. Korah is now part of S. S. Marie.

Example, "my mother died in her forty eighth year, February 22, 1882." and later my grandmother added, "Father Griffis died on Jan. 19th, 1912, age 79."

However, my grandmother, Susan Griffis (nee Fletcher) has written, "mother Eliza Bartlett died on Oct. 26, 1907 at the age of 75." My oldest brother, Dan Johns of S. S. Marie, believes that she lived her last days in Midland, Michigan with her daughter Ellen Raymond (nee Fletcher). Another daughter, Anne or Annie, was Mrs. Ambrose Smith of Trenton, Ontario. Eliza had Alfred and Nellie by a second marriage to a Mr. Bartlett whose first name may have been Paul. I have also knowledge of an "Aunt Sadie" (Mrs. Clarence Smith), but I have not been able to fit her in and possibly she is on my grandfather's side.

Mr. E. L. Johns,

Dear sir:

I am answering your letter of 26th inst., which arrived to-day. I find that, if I delay in replying, something crops up to attract my attention, and a letter may never be answered.

I had better answer your queries by stating that I have been interested in the genealogy of Bay of Quinte families for at least forty-seven years. During all this time, I have been gathering notes on these people, particularly those of Loyal ancestry. I now have more than eight hundred individual files on that many families. Some are very small; others have hundreds of pages. That on the Van Alstyne family has about 90 pages.

Most of my notes have been copied from many sources, most of which have not been published. I can give you the following sources:

1. Van Alen genealogy, to be found in most American libraries.
2. Notes on the Van Alstyne family copied from the N. Y. Genealogical & Biographical Society publications. I copied these on a visit to U.S.
3. An unpublished genealogy of Major Peter Van Alstyne and his children. This was loaned to my about fifteen years ago by a descendant who, I have been told, is now retired and living in the West Indies, which, I do not know.
4. Church records of Bath and region, Anglican, and Presbyterian. These have been published in our Papers & Records, which can be seen in most libraries.
5. Church records of the Anglican Church in Sorel and Montreal, Que.
6. Military records in the Valdimand papers, to be found in Public Archives, Ottawa.
7. Numerous references to Major Peter from many sources. A few have been published. I copied his will, I think, at the Legal Building in Toronto. I have forgotten its name.

I do not know your financial standing. But, I can say that you will spend a great deal of money on your hobby. I have been doing it for years. I forgot to say that I had copied several baptismal notes of this family in the Kindrehook Parish Records.

I will say that I can put together a fairly complete record of your family from Peter, the husband of the Lott girl, to his third great grandfather.

Yours sincerely,

Sander

Dear Colonel Burleigh:

I have lately taken an interest in tracing my family history of which my mother and grandmother were so proud. Please see the enclosed letter. On contacting (Mrs.) A. E. Francey at Dominion Headquarters I was given your name among others, interested in the Bay of Quinte settlement.

Could you give me some help please on available sources of information?

1. Some idea of what has been published which contains reference to the Van Alstine family of Prince Edward and Hastings Counties.
2. What unpublished material is open to the public and where?
3. What is known to be held privately and where?

As I know it my genealogy summarizes this way:

		Last Residence	Born	Married	Died

	Winnie Griffis	61A Elmwood Ave. S.S. Marie, Ont.	1887		1964

I do not believe that there is any reason to doubt the information which I have put on page 1. However, with the children the picture is more cloudy. The book Pioneer Life in the Bay of Quinte's geneology on p. 828 gives four children to Margaret and omits mention of Ira and Eliza. The geneology given to me in your letter of Dec. 10, 1971 gives all the children to Permela. In the light of Ira and Eliza's birth years, 1831 and 1834, and the indisputable evidence from V Bundle 18, No. 24, that Margaret appeared before the magistrates at Adolphustown on January 29, 1834 and was recommended for land on June 5, 1834, I must ascribe these two children to Margaret. Ira must have been born before 1834 and Margaret was just five to six months pregnant with Eliza when she signed her petition. (Jan. 29, 1834).

Children - by Margaret

- (1) Ira of Sidney, 2nd Trenton husband of Sarah (born 1828 by Census '71)
born - 1831 - by Census of 1851 and '71.

Bert (reported by Vera McKee in a letter to me, Dec. 9/71)

- (2) Eliza Margaret of Sidney, Trenton and Homer Twp. Michigan.
Married: 1st Robert Fletcher and 2nd Paul Bartlett, widower, of Sidney Twp. Eliza's death certificate says that she was first married at the age of 20 and had 8 children of whom five were alive at her death.

2. Census of '51 - (census of '71 would indicate 1833 and 2nd marriage certificate 1835)

children: - by Robert Fletcher

1. Ellen-married John Raymond of Homer Mich. Later they moved to Orlando, Florida where she died about 1931.

2. Anne -married Ambrose Smith of Trenton, residence on Bay St. in 1924 on his death. She died at the home of her daughter in Toronto on Mar. 30, 1928 at 69 years of age. Both are buried in Front of Sidney.

3. Susan- married Josiah H. Griffis of Cramahe Twp at Brighton, Ont. on Jan 20, 1886. She was born June 21, 1862 and died in Tarentorus Twp. (Sault Ste. Marie, Ont.) on March 20, 1941. Both are buried in Sault Ste. Marie, Michigan.

4. --- Nellie - married Will Sinclair. She died in S.S. Marie, Ont. about 1912 and he moved to near Chicago to be near his daughter.

5. --- Alfred - married Mildred Ziegler of Coleman, Mich. He died there on Jan. 3, 1942 and is buried in Midland, Michigan. He was born, Jan. 18, 1878

However, Eliza's 2nd marriage certificate has Permella Lott as her mother and this is repeated on her death certificate, but in the light of Margaret being alive in 1834 and that the gap in years before George is born would seem to indicate time for Margaret's illness, death and a new marriage, I believe the above makes better sense of my present evidence. The other children then are Parmelia's.

Uncertain as to
order of land 2. ->

children - by Parmelia (this is ³ the spelling on her letter-edged-in- black

- (3) George - who died in Trenton, Mar. 29, 1914, (George H.), had a funeral from the family residence on Mercia St., and was buried ~~from~~ in the Front of Sidney cemetery. His funeral certificate (my file) gives his age as 71 which gives him a birth year of 1843. This agrees with the census of 1871, but disagrees with the census of 1851 and '61 which would give him a birth year of 1841.
- (4) John - died and buried in Trenton (your letter 12/10/71). born about 1844-5 - census records.
- (5) Charles - died and buried in Trenton (your letter 12/10/71) born 1847 - census records
- (6) Rachael Clarinda who must be the aunt known to my family as "Aunt Nin"- married to Allen W. Smith, Trenton, born about 1849 and a dressmaker according to census records. (in my file I have a personal letter written in part by both of them regarding Parmelia's death & other matters, dated Sept. 16, 1894, to Eliza and the J.H. Griffis family, then in Ewen, Mich.) No children, but they were second parents to some of Eliza's.

Naturally, I have done all this work in setting the record down for you to encourage you to pass along to me any further information which may come your way in the ~~future~~ future about this family. Those years 1810 to 1870 are the dark years for family records, but I am sure that I ^{have} done better on the Van Alstine family than I will on the Griffis one. I notice by the information which you sent me that Andrew Pringle Griffis (my great grandfather) and Henry are both omitted and yet I have primary sources to show that they both belong in the Stephen Griffis family. Thank you for your help and I will write to Bruce Griffis.

And a merry Christmas to you too.

Sincerely,

Chris Johns

Dear Dr. Burleigh,

Thank you for answering so fully to mine. What you say about the Peter Van Alstine family of Sidney Twp. agrees substantially with a letter to me from Vera McKee, Trenton, Ont. Possibly the same source is behind both records. Because of your kindness, I thought I would write down my own reconstruction of this family based on the primary sources which I have noted to date. This is in case you wish to keep it in your file.

Dear Sir:

Evelyn McIntyre of Napanee advised me that you might be able to help me with my geneology.

I am a descendant of Abraham Van Alstine who was born (I think) in Cornwall. His father was either James or John. According to the TenEyck history taken from the family at Cornwall a James Van Alstine married an Elsie Ten Eyck, sister of John Ten Eyck born 5/2/1788, and the daughter of John Ten Eyck listed as a Liet in the First Canadian Regiment in 1777 under Livingston. They came from Schenectady, New York.

Abraham Van Alstine must have been born 1805-06 according to the 1851-52 census. He married Isabella Dunlop born 1809 in Cork, Ireland of Scottish parents. Her father was Andrew (Could he have been related to the "Tiger of Canada"?)

They had the following children:

1. James 1830 29 drowned on the locks
 - 2 Samuel 1830 died 12/29/1894 in Lynd, Minn
 - 3 John 1833
 - 4 Mary 1835 died in Minnesota
 - 5 Edward 1837
 - 6 George Gordon 1839 (this was my grandfather)
 - 7 Sidney 1840 died Winnepeg, Canada
 - 8 Isabella 1843 married Will Henderson
 - 9 Sarah 1845 married Dave Waters
 - 10 Charles 1848
 - 11 Ruth Ellen 1849 married Donald Murray
- Of the above we do not know what happened to John, Edward, or Charles

Secondly Abraham married Christina Graveley Johnston in Cornwall

They had 1 Aaron 2 Christina 3 Ronald 4 Howard

We do not know what happened to Howard.

.....
I believe Ten Eyck Van Alstine who was killed at the Battle of the Windmill was probably Abraham's brother. How can I find who Ten Eyck's parents were?

Abraham worked as a bookkeeper for Mr Wood. Grandpa George Gordon worked for a doctor until he came West in about 1860. They lived near Lynch, Ontario or closer to Mille Roche.

There was a widow Van Alstine and son Samuel given a concession near Cornwall. Were they related? There also was a Herman Van Alstine and his wife, Anna Catrina Besinger and their children Eva, Anna, Jamielie, Zeferinua, Catharina, Dirke, and Hermanus up there. One girl married a Bradt and another a Slingerland I believe. The archives show a James went to Ireland (was that the Ireland in the United States?) and Samuel went to Detroit.

3 Sept., 1972.

Dear sir, or madam:

I have your letter of 27th August, together with enclosure of check for \$10.00 Am., for which I extend my thanks.

I note your query about the Van Alstines. I have a good sized file on this family. I have been looking it over, and am about to make some comments. I feel qualified to do so, as I have been interested in the old families of this area for more than forty years. This indicates my oldness.

1. You note in your letter a census record of 1851, but fail to state in what locality it occurred. I may be wrong in assuming that it was of the Cornwall area. At the same time, I am not at all sure which Cornwall you meant. Ontario? New York State? England? You also note that Lynch was near Mille Roche. I recognize Mille Roche, but not Lynch, unless you meant Finch, which is not too far away from the other.

2. I have notes about the Widow Lydia who married Isaac Crowder. It is stated that she was widow of James V. A., a soldier who died during the Rev. War. Did you know that? I have knowledge of her. It is stated that she had five children. They were supposed to be Isaac, Jonas, Lambert, Aaron and James. I am sure of only three of these. Isaac, James and Lambert.

3. Another doubt is that these children were very long in the Cornwall area. All three of the sons--Isaac, James, and Lambert--were of Richmond a few miles west of my home.

4. It is evident that your Abraham, who married Isabella Dunlop, was of a younger generation, and likely a grandson of Lydia. The trouble is to prove it. Evidently, more search must be done.

5. I can supply you with the names and address of persons who have written to me, and who seem to be descended from Lydia's sons, other than Lambert, whose family is well known here. Here are names, addresses and dates:

1. Mrs. John B. North, 7955 Forest Ave., Dexter, Mich. 48130 1971
- 2 Ruby Fronk Hall, Afton, Wyoming. 1968.

It seems that your problem requires some search in New York State, in order to sort out the brothers and sisters of the James who married Lydia. I suspect that one brother was an Isaac, whose daughter, Jane, married a Jonas Van Alstine which latter was evidently a son of Lydia.

I think I had better close, so that you can think it over.

Good hunting!

If you want Hdqts
to deal with the
letter, then return it to
Hdqts. But it seems
to me an applicant should
go through a branch first.

As all may see the great caution necessary in granting the
above mentioned Papers to answer the purpose intended and prevent the Public
being imposed on; it will be necessary for every One that applies for a Paper to
produce a fair List of the Effects he is disposed of in the States and Certified by
the Senior Officer of the Townships in which he resides, that he has sufficient
reason to believe that the List is just. —

The Van Alstyne took their name probably from the place from which their ancestors sailed when leaving Holland. Today different branches of the family spell their names Van Alstyne, Van Alstine, Van Alstyn, and one branch has dropped the Van and call themselves Alstyn and Alstine.

When they left Holland there was no surname. It was Jan son of Jan as names are recorded in the early Biblical times. In Holland they were weavers.

Major Van Alstine was recognized head of the band of Van Alstinus who first settled in Adolphustown and he was appointed to the command of the company of Loyalists before they sailed from New York.

Page 3.

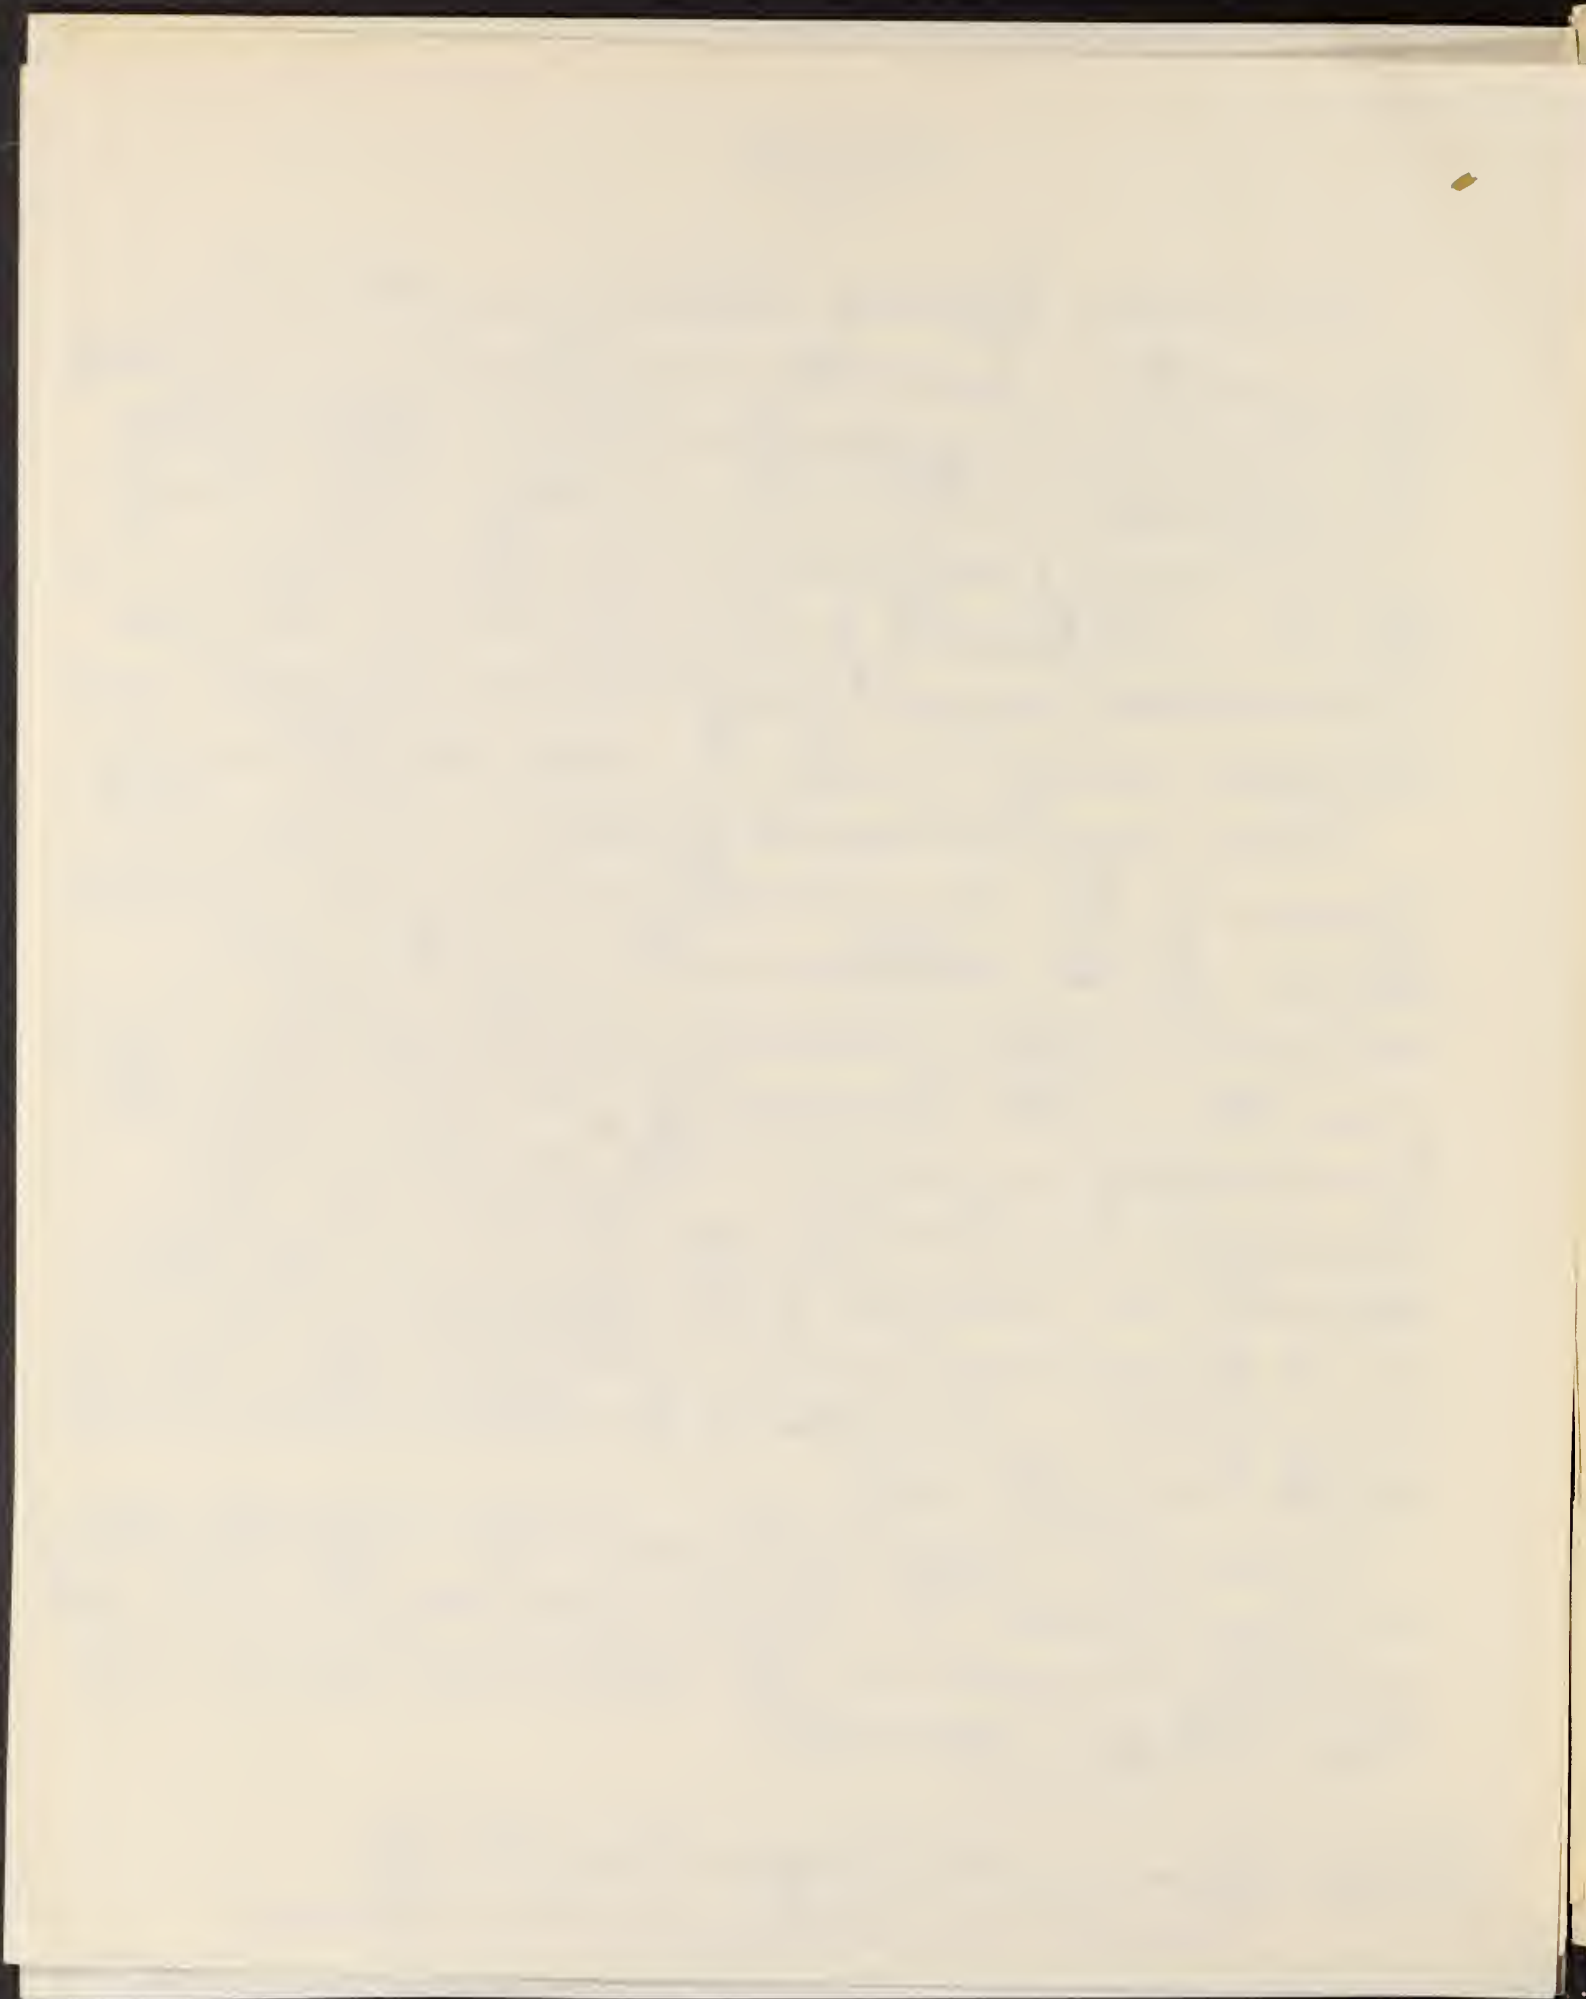

He was a typical Slutchman, rotund in form with a swarthy complexion and spoke the English language very indifferently.

He brought with him many negro slaves and having suffered many privations himself he entertained a kindly feeling toward individual members of his company. He was always ready to extend relief to the needy.

There was no means of administering the affairs of the community during the first few years of the settlement and the good natured Major exercised a fatherly supervision over the entire township. Many a dispute terminated in a friendly compromise through his timely mediation. He was placed in charge of the government stores and provisions and distributing them among the inhabitants. He kept in close touch with every family.

The old Major retained the respect of those among whom he lived and was buried with military honors in the north west corner of the burying ground.

Personal Notes.

Major Vanalstine.

Major Vanalstine.--Peter Vanalstine was the Captain of the Fourth Town Company and the Commissary for years. He does not appear to have had any military experience or position. He was a Knickerbocker and native of New York. His title of Major appears to have been honorary. He lived on the Bay Shore on the Front, next east of Philip and Thomas Dorland. He was elected to represent Lennox and Prince Edward in the first Parliament, after Philip Dorland's seat was declared vacant because of his refusal to take an oath. He is said to have built the first grist mill at Glenora--then Lake on-the-X mountain, and probably it was the first in Prince Edward County. This was as early as 1791. He had a son Allan who lived for years at the Stone Mills,--Glenora--and died there. Allan married a daughter of Jonathan Allen and there are a number of his descendants yet living in Prince Edward County. Major Vanalstine had no daughters. He had a brother, Cornelius Vanalstine, who was probably the first magistrate appointed in the township. Peter was born in 1747 and was therefore 37 years of age when he landed in Adolphustown. He died in 1811, aged 64 years, and was buried in the U. E. L. ground, but there is nothing now to distinguish his grave.

MAJOR VANALSTINE.—

The life of this man we have been unable to trace in full; but sufficient remains known to supply the requisites for a short sketch. He must have come from the vicinity of Albany, for he was decidedly Dutch, and spoke the English language very imperfectly. He was a stout, robust man, with a dark complexion, not one of military bearing; and most likely, until the rebellion, had nothing to do with military matters. Among the first to settle in Adolphustown, he well knew the hardships of pioneer life. During the course of the rebellion he had suffered many privations. Naturally a kind-hearted man, he for many years afforded to the new comers much comfort and material aid. His house was ever open to the passing stranger — to the old soldier, to poor refugees. He was known to everybody in the whole settlement of the Bay. No matter who came, he would order up from his cellar kitchen — the old Dutch style — his negro servants — slaves he had brought in with him, and set before the traveler the necessary refreshments. The son of one who knew him well, says he was hospitable to a fault. His religion was Lutheran, and the Government granted him a pension for distinguished service.
